

Classic is *always* in style.

A Classic Party Rental opened its doors in 1989 with the philosophy to provide Indianapolis and surrounding communities with a one stop shop for party and special occasion goods. The founders of A Classic believed people wanted to use the best silver, china and linens for their once-in-a-lifetime events but didn't want to purchase these items. Thus, A Classic was born.

Today, in our 30,000 square foot retail building, A Classic has everything imaginable for truly memorable weddings, reunions, banquets, meetings, bar mitzvahs, or any other type of gathering that necessitates first class equipment and first-rate service.

A Classic has gathered the finest team of professionals to make your occasion special. From the event design team that assists you with party planning ideas and suggestions, to the crews that cheerfully and conscientiously deliver and assemble your equipment, A Classic is the best in the business and ready to serve your every need.

RATES

All rates are quoted based upon the number of **days Customer's event is scheduled**. Weekends are typically considered a **one day rental**. Events lasting longer than one day are subject to higher rental rates. Please call Licensor for long term rates. All rental charges are measured from the time the Equipment is out of Licensor's possession, not time used. Rates and charges are subject to change without notice.

PAYMENT

Except for tent rentals, a reservation fee/deposit equal to 25% of the total rental charge is required to confirm rental reservations. The reservation fee for tent rentals is 100% of the total rental charge for the tent upon confirmation and no refund of the reservation fee for a tent will be made upon cancellation. The amount of any and all reservation fees will be applied toward the Customer's rental obligations. Payment is to be in the form of Visa, Mastercard, American Express or Discover. Cash is not accepted under any circumstance. The reservation fee/deposit is the Customer's assurance that the items requested will be available on the day the customer requests.

Final payment is due in full on all orders at least (2) days prior to delivery if by credit card and (2) weeks prior if by check. Licensor reserves the right not to deliver equipment on accounts not paid in full or delinquent. Return check fee-Fifty Dollars (\$50.00)

For cancellations prior to (30) days from the scheduled date-no cancellation fee and full refund of reservation fee to Customer.

For cancellations thirty (30) days or less from the scheduled date up to the second (2nd) day prior to the scheduled date-no cancellation fee, but the reservation fee will be retained by the Licensor.

For cancellations one (1) day prior or later to the scheduled date- a cancellation fee of 50% of the total charges for the order will be due from Customer and the reservation fee will be retained by Licensor.

WEAR AND TEAR FEE

Customer shall pay a non-refundable fee equal to 10% of the rental fee. This cost covers wear and tear on the Equipment and is not insurance. This fee relieves the Customer of the cost of minor damages and repairs to the Equipment. This fee does not cover material damage, theft, loss, vandalism, misuse, abuse or missing Equipment and Customer shall be separately liable for such events. **All broken items and pieces relating to the Equipment must be returned to Licensor.**

DELIVERY & PICK UP

Delivery and pick-up services are available for all orders. The delivery and pick-up charge is based upon the zip code of the delivery address. This charge includes pick-up and delivery during normal showroom hours. Licensor delivers before and after regular showroom hours for an additional fee quoted upon request, which will include overtime for employees. Standard delivery and pick-up does not include set-up, and/or tear-down. If a Customer requires delivery to be made to a specific floor or area beyond the tailgate of the delivery vehicle, additional charges will apply.

Note: Licensor will not set up equipment in a private residence if Licensor is required to go up and down stairs. Licensor will not move or remove any items not owned by Licensor. Customer's authorized representative must be present at both delivery and pick-up to sign and verify the counts and condition of the Equipment. If no one is present, Customer agrees to abide by Licensor's delivery and pick-up counts and inspections. For sanitary reasons, Licensor reserves the right to count large orders of unwashed glassware, china, linen and flatware at Licensor's facilities.

TENTING

Licensor reserves the right to deliver tenting prior to the event date or pick-up after the event date based upon weather conditions.

SET-UP & TEAR DOWN

Set-up and tear down services for Equipment are available at an additional charge. These arrangements are to be made in advance of delivery and pick-up. Customer must be present for set up and tear down unless otherwise prearranged. If a Customer is not available for set-up or tear down when Licensor arrives, Licensor will set up or remove equipment in such a manner as Licensor determines is appropriate.

RENTAL EQUIPMENT USE

Customer is responsible for all Equipment from time of receipt to time of return. Tables and chairs must be folded, stacked and ready for pick-up. Customer must rinse and repack in the containers supplied all china, silverware, glassware, etc. Customer is responsible to make linens dry and refuse free to prevent mildew and staining. Customer must return hangers and skirting clips. Items missing or not meeting these conditions are subject to additional fees, which are available upon request.

7 oz. Sterno - burns for approx. 2 hours	1.75

- Never add fresh food to a chafing dish on the buffet table. Take out the used food pan and replace with a full one.
- Round chafing dishes are used for sauces, casserole type entrees and some vegetables. Rectangular chafing dishes are very good for foods that are to be kept flat such as stuffed chicken breasts, fish fillets, lasagna and asparagus spears.
- Do not use anything but sterno type fuel in the burner.
- Stainless steel food pans can be placed in the oven to keep food warm.
- Place 1 inch of hot water in water pan of chafar before service.
- Light sterno 15 minutes before opening the buffet.
